

# **COVID-19 VACCINATION POLICY**

## **EFFECTIVE FROM 17 DECEMBER 2021**

In keeping with Government and community standards and the identical vaccination policy introduced by the Queensland Bridge Association, the Gympie Bridge Club will only permit bridge players who are **vaccinated** (meaning that they have received double vaccinations) or who are **ineligible to be vaccinated for medical reasons** to participate in sessions and events at its clubhouse.

The onus is on players to provide satisfactory evidence that they are vaccinated or ineligible to be vaccinated.
